

## TURNERS HILL PARISH COUNCIL

### NEIGHBOUROOD PLAN

"YOUR VILLAGE  
YOUR FUTURE  
YOUR VOICE"

The Parish Council is going to have a greater influence on how all areas of our village develop via our Neighbourhood Plan. In order to ensure the plan is fair to everyone we need your views. This questionnaire is only the first step in the process but it is vitally important. Please take the time to answer the following questions.

	Strongly Agree	Agree	Disagree	Strongly Disagree
<b>Housing</b> Legislation requires us to provide additional houses and we wish to ensure that our plan provides for the needs of the local community in terms of type and mixture.				
<b>Highways</b> Improve traffic flow into and around the parish in order to provide safer passage for pedestrians and motorists.				
<b>Business Development</b> In order to help ensure village sustainability we need to identify and encourage new and existing <i>business within the parish</i>				
<b>Leisure &amp; Health</b> Improve the play area at the recreation ground. Provide additional footpaths/cycle routes wherever possible. Support village team sports and promote and encourage healthier lifestyles.				
<b>Environment</b> New housing and industrial areas must meet the requirements of the Village Design Statement and the Neighbourhood Plan. New housing must not encroach on green open spaces between settlements. Ensure the Conservation Area, Area of Outstanding Natural Beauty and views into and out of the village are protected.				
<b>Green Issues</b> Embrace and encourage the concept of sustainability in exploring ways of becoming more self sufficient both individually and community based e.g . Allotments, water, electric, recycling etc.
